

ISPlasma2021/IC-PLANTS2021

13th International Symposium on Advanced Plasma Science
and its Applications for Nitrides and Nanomaterials
14th International Conference on Plasma-Nano Technology & Science

Instructions for speaker (oral)

Tutorial, Oral session: ZOOM meeting

If there will be any trouble on oral session, you can present your talk on short presentation Q/A time in breakout room. Please contact to IS plasma secretary (isplasma2021@intergroup.co.jp)

NOTICE: Please connect to your session 15 min before the session starts and check voice, video and share screen of your slides.

2. Click button "watch live" to connect zoom room

The screenshot shows a conference timetable interface with a sidebar on the right. The sidebar contains details for the selected session: **Plasma Science & Technologies 1**, presented by Yasunori Tanaka (Kanazawa University) and Huantong Shi (Xi'an Jiaotong University). The presentation number is No.08pB05I and the time is 12:00-12:30. The abstract title is "Experimental and Numerical Study of Aluminum-based Nanoparticle Synthesis via Electrical Wire Explosion". The presenter is Huantong Shi (Xi'an Jiaotong University, China). Below this, another session is listed: **Plasma Science & Technologies 1**, presented by Yasunori Tanaka (Kanazawa University, Japan), with presentation number No.08pB060 and abstract number 1074. The time is 12:30-12:45. The abstract title is "Characterization of race-track loop-type of induction thermal plasmas for large-area surface modification". The presenter is Yasunori Tanaka (Kanazawa University, Japan). Below that, a third session is listed: **Plasma Science & Technologies 1**, presented by Haruka Suzuki (Nagoya University, Japan), with presentation number No.08pB070 and abstract number 1071. The time is 12:45-13:00. The abstract title is "Ashing Treatment of Polyimide Film by Atmospheric-pressure Microwave Line Plasma with Ar/O₂". The presenter is Haruka Suzuki (Nagoya University, Japan). At the bottom of the sidebar, a fourth session is listed: **Plasma Science & Technologies 1**, presented by Yasunori Tanaka (Kanazawa University, Japan), with presentation number No.08pB080 and abstract number 1034. The time is 12:30-12:45. A yellow arrow points to a red-bordered button labeled "WATCH LIVE" at the bottom right of the sidebar.

Change your name and check voice and your slides

1. Click “participants” at the bottom of ZOOM window

2. Click “More”

3. Click “Rename”

4. Change name

“*asterisk+ presentation number +
Name (affiliation)”

Do not forget asterisk in the beginning.

5. Please ask the chair (or ISPLASMA host) to check voice, video and share screen of your slides, 5 min before the session starts.

Time keepers(1/2)

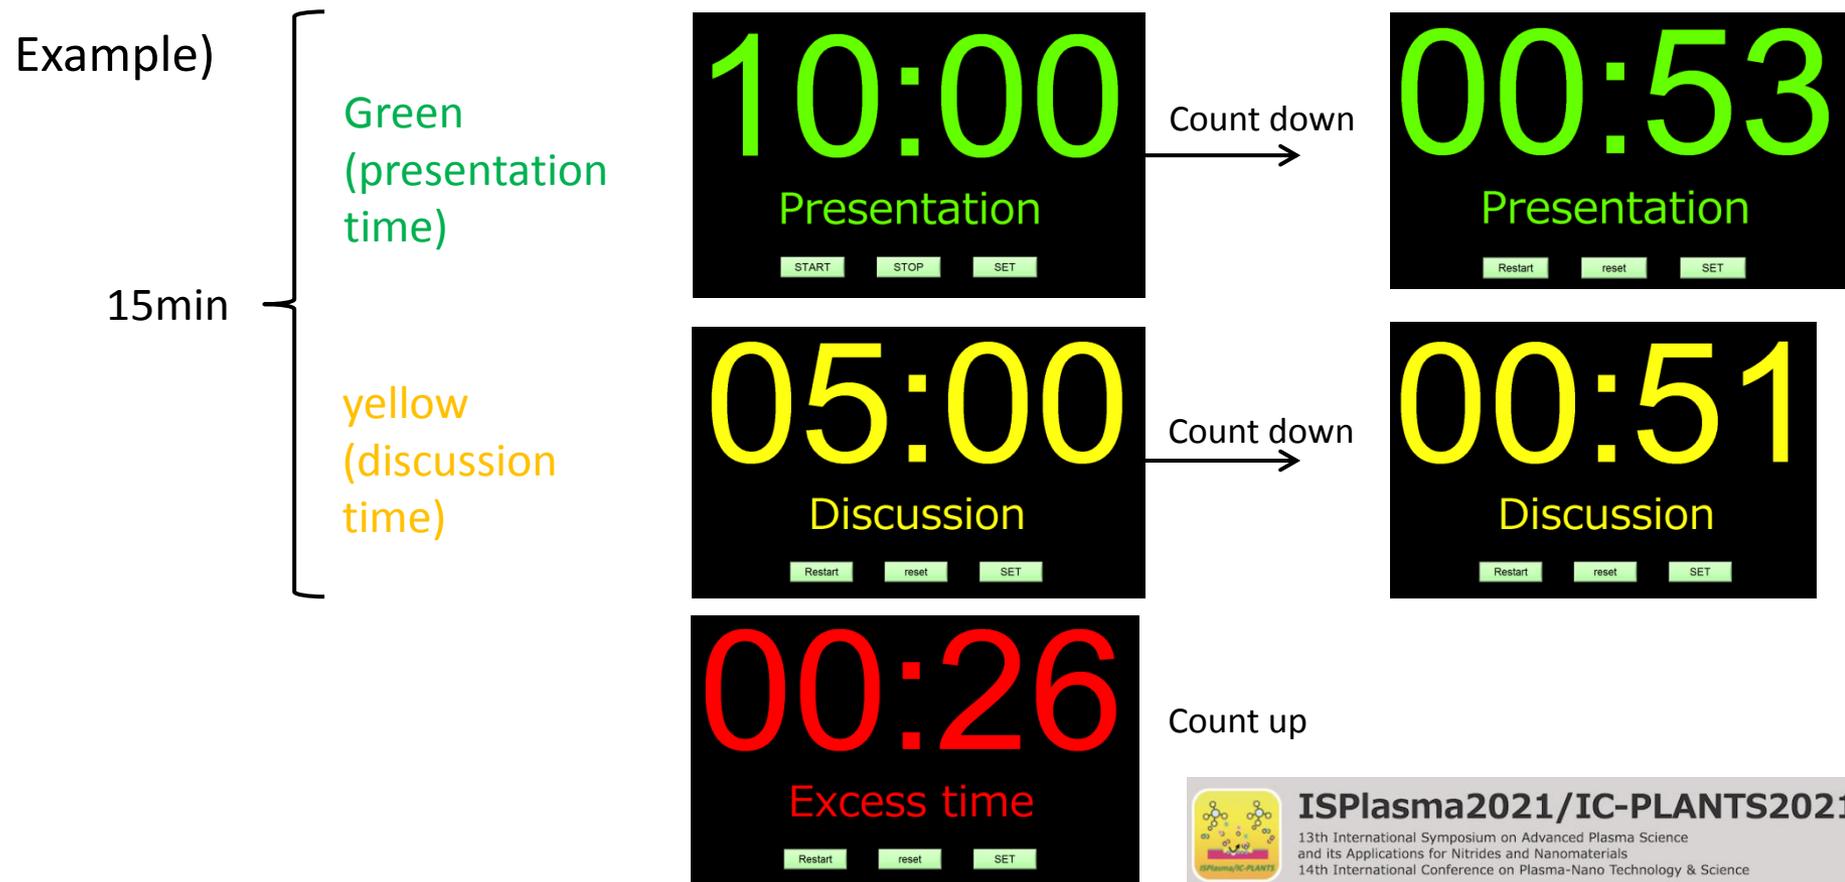

IS PLASMA host set timer during the session.

You will not hear any bell.

IS PLASMA host will show “time keeper” in their thumbnail

Invited talk; 30 minutes talk (25+5)

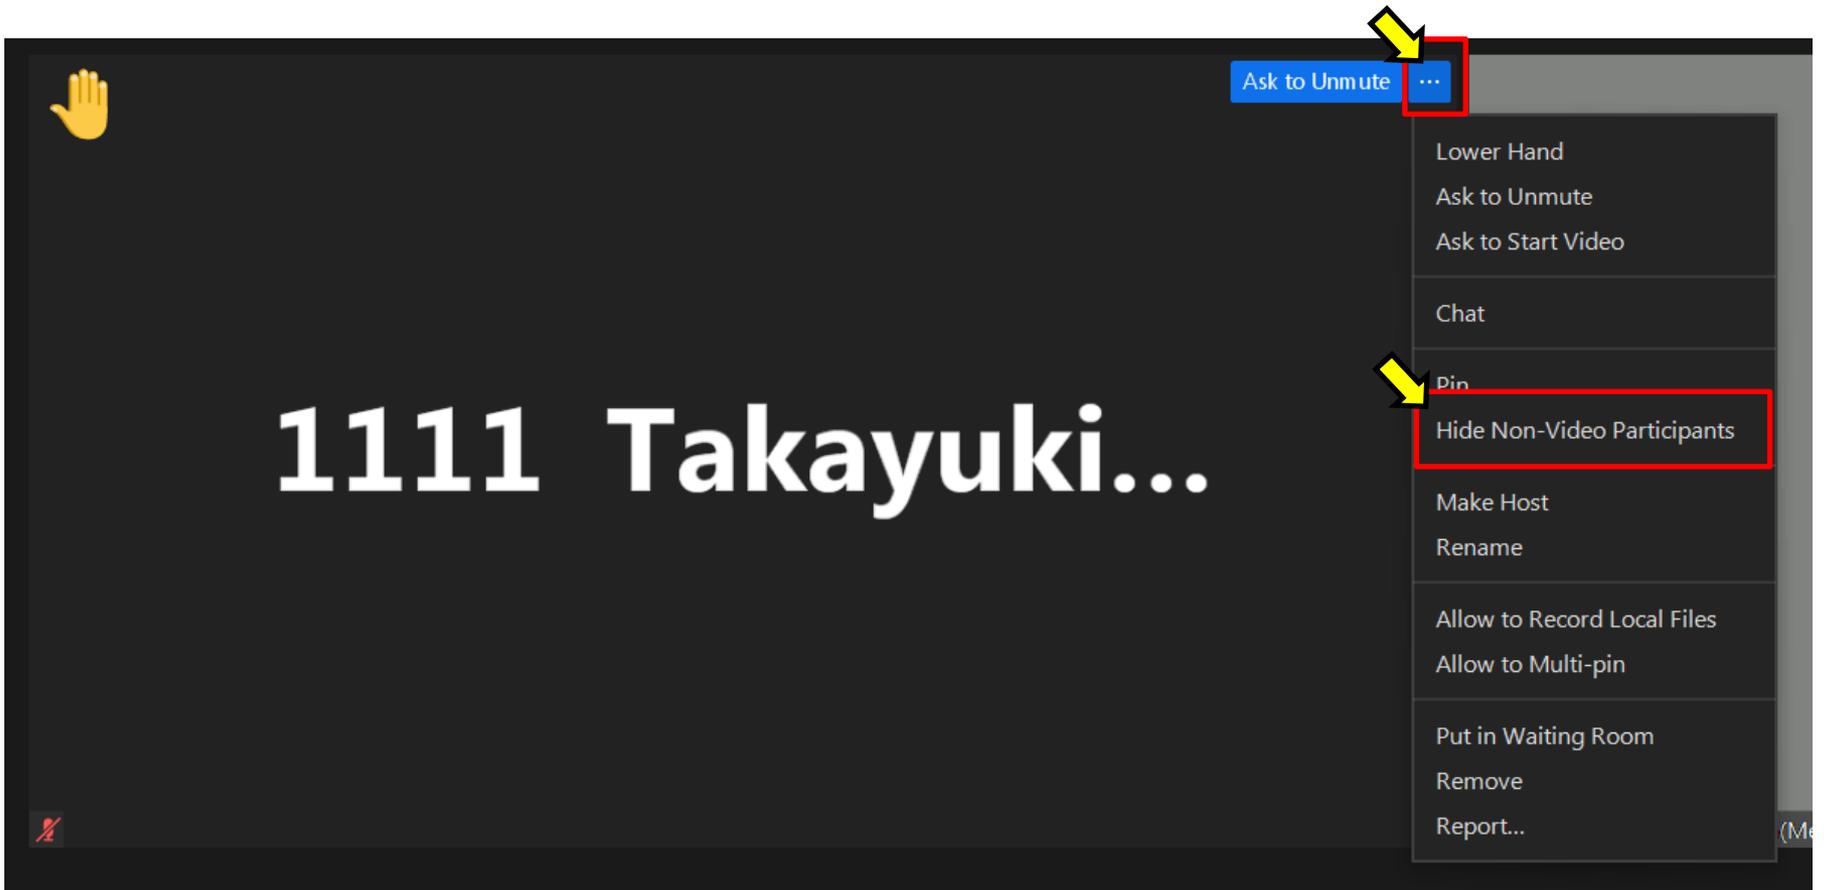

Oral presentation; 15 minutes talk (10+5)

Time keepers(2/2)

Click “Hide non-video participants”

You may always see “time keeper” in your thumbnail

The screenshot shows a Zoom meeting interface. The main display area is black with the text "1111 Takayuki..." in white. In the top right corner, there is a blue button labeled "Ask to Unmute" with a three-dot menu icon to its right. A red box highlights this menu icon, and a yellow arrow points to it. A dropdown menu is open, listing various options: "Lower Hand", "Ask to Unmute", "Ask to Start Video", "Chat", "Pin", "Hide Non-Video Participants", "Make Host", "Rename", "Allow to Record Local Files", "Allow to Multi-pin", "Put in Waiting Room", "Remove", and "Report...". A red box highlights the "Hide Non-Video Participants" option, and a yellow arrow points to it. In the bottom left corner, there is a small red icon of a hand with a slash through it. In the bottom right corner, there is a small text "(Me)".
